

Past Planner Systems

Fill out one of these pages for each planner system you've tried in the past.

Planner:

Type: Digital Paper

How long I used it for:

Why I tried it:

Why I stopped using it:

What worked?

What didn't work?

Useful Planner Features

Use this page to copy out all of the things that worked from your past planner systems. This is the beginning of your list of features to look for in a new planning system. You may want to indicate somehow whether a particular feature was digital or paper, so that you can begin to see which type of planning system might work best for you moving forward.
